Quotes from the Tyne Tees Evening News:

'I think it's important because people who aren't in the army know what army life is like and what it's like when our dads go away to fight and see all the machinery that is very dangerous that they use and the equipment they bring with them.'

'I've seen lots of tanks and all my friends are doing the races and stuff.'

'I've enjoyed watching all the schools and doing activities'

'I don't have anybody in the Army but I've enjoyed today 'cos I like seeing everybody getting along and I like the tanks.'

Hi Nickie

Thank you for Friday the children had a great day. All of the personnel from the forces were so lovely with the children. Our children are now fans of field stew! (I was a fan of the chocolate)

Photos lovely - a dodgy man interviewed though

Looking forward to next year.

Have a restful weekend and recover

Thanks again

Dear Nickie and Annabel

Thank you for organising today, both the children and adults had a fantastic day. The children were really excited about it all and couldn't wait to tell their adults, teachers and classmates all about it.

We know it takes lots of time and effort so thank you again for all your hard work, it really is appreciated.

The children wrote thank you letters as soon as we got back to school, I will sort them out on Monday and post them off to you. Please thank all those involved for making the day so enjoyable.

The lunch was cooked at the kitchen my husband works in so we will send them a thank you and Laurie will take it into work on Tuesday.

Thank you again

Denise and Linda

Just wanted to say well done and thank you for the event on Friday! Not only did it save my field (he he) but it worked so much better being at an Army venue. My children loved it. Plenty to do and get involved with.

Great planning and sorting! Thanks guys - a great job.
